

## **IMP 006**

### **Sex Offender Registry (SOR)**

The Delaware Department of Safety and Homeland Security, Sex Offender Management Board operates the [SOR](#).

The SOR provides a searchable record available to the public regarding every sex offender who has been convicted and is designated for listing on the registry. Such records shall include the last verified addresses for the offender, and shall specify the specific sex offense for which the offender was convicted, the date or dates of the convictions and other information as provided by statute. [11 Del.C. §4120](#).

The Delaware State Police is responsible for creating, maintaining, and routinely updating and auditing the SOR. [11 Del.C. § 4121\(j\)](#). Questions or concerns regarding the SOR can be directed to (302) 739-5882.
